## SkinMedica ESSENTIAL SERUM

### Key Ingredients & Facts

#### Chamber 1:

- » Growth Factors: Stabilized proteins that helps improve the appearance of fine lines, wrinkles, skin tone and texture.
- » Has a 93.6% concentration of active ingredients. It was originally formulated to heal burn wounds, which tells you how regenerative this product is!

#### Chamber 2:

- » 7 Antioxidants: help prevent free radical damage.
- » Peptides: amino acids that stimulate collagen production, regenerate skin cells and smooth appearance of fine lines and wrinkles.
- » Alpha-arbutin: brightens skin.
- » Vitamins C & E, Green Tea extract and CoQ10 promote skin health.
- » Hyaluronic Filling Spheres: Dehydrated filling spheres, containing hyaluronic acid, help trap water on the surface of the skin like a sponge.

## SkinMedica HA<sup>5</sup> REJUVENATING HYDRATOR

### Key Ingredients & Facts

- » 5 types of Hyaluronic Acid – Time released to immediately smooth the appearance of fine lines and wrinkles and sustain hydration for up to 8 hours, also improves skin texture and roughness.
- » Proprietary blend of antioxidants and peptides for overall skin health and to support the skin's ability to replenish its own hyaluronic acid over time.
- » Provides immediate and long-term benefits.
- » Hyaluronic acid is responsible for keeping our skin plump and full; natural production decreases in our 20's.
