

TIMELESS

SKIN SOLUTIONS

titan **before & after treatment instructions**

Before treatment:

There are no complicated pretreatment rituals with this procedure. Prior to the procedure you will be asked to remove your makeup or moisturizers. There are generally no numbing creams required. If you are going to have IPL with this procedure, please refer to those instructions. <http://www.timelessskinsolutions.com/services/sun-damage/ipl-photofacial>

After treatment:

Immediately after the treatment you will experience some minor redness. The redness typically lasts for a few hours. You can expect to immediately return to normal activities, utilizing sunscreen, if participating in outdoor activities. You may bring your makeup to the office, and apply prior to leaving the office. If you have had IPL with this procedure, please refer to those instructions.

Please do not hesitate to call our office if you have any questions or concerns at (614) 799-5100 or email contact@timelessskinsolutions.com. In case of emergency call 911.
